Terms & Conditions

Quotations:

Quotations are valid for 3 months from the date of the quotation.

Payment:

A deposit of £200 is required upon confirmation of booking (at least 2 months prior to the Wedding day). The remaining balance is payable 14 days after the date of the event. Note: The deposit is non-refundable if booking is cancelled less than 90 days prior to the event. For bookings made less than 30 days prior to the date of the event, payment in full will be required before a cameraman will be confirmed. Payment can be made by cash, cheque or by bank transfer.

The Edit:

By contracting our services you have purchased our Professional Team within our "Editing Suite". The editors will use their discretion for creative and music placement decisions. NB. We do not take footage out, we only cut down. Should you wish to have more editorial control over the edit please enquire about the additional costs.

Re-edits:

Technical errors will be corrected free of charge if we are informed within 14 days after delivery. Client-requested changes to their video will be charged at the prevailing daily edit rate.

Delivery of Product:

The editing process takes 8-16 weeks (dependent upon the time of year) from the date of the wedding to complete. Delivery will be delayed if the client fails to send their music choices to the company when requested, as the edit will not start until these are received. Delivery will be by Recorded First Class Royal Mail and must be signed for. Alternative arrangements may be made by the client at their own expense.

Music Clearance:

There is a fee for the use of commercial music dubbed onto edited videos. If you opt not to pay the license fee you will be asked to accept responsibility for the clearance and payment of music used and absolving Onedayinmylife Productions from breaking any copyright laws.

Music Choice:

The client will give Onedayinmylife Productions their choice of music to be used in the edited video prior to the filming of the event. If such information is not given at this time, we will use the editor's choice of music and any changes made to the edited video will be charge at the daily rate.

Directions:

The client will give Onedayinmylife Productions travel directions to the event. If such information is not given Onedayinmylife Productions will use The AA route planner for directions and cannot be held liable if such directions are wrong.

Copyright:

The Onedayinmylife Productions retains the copyright to all material recorded by them.

Complaints:

Any complaints must be received in writing not more than 14 days after receipt of the final video.

Disclaimer:

Every effort will be made to ensure our cameraman records your event in full on the day. A backup camera is carried to minimise problems caused by

equipment failure. However, there are some circumstances that are beyond our control for which the company cannot be held accountable.

Force Majeure

No liability is accepted for failure of performance due to any other circumstances outside the control of Onedayinmylife Productions.

Yours Sincerely, The Onedayinmylife Productions Team
